A Decade of

To Westie

We, the class of 1986
Would just like to say
Thank you West Roxbury High
For backing us all the way!!

In this school we've had the chance
To grow in strength and mind
Due to the special faculty
Who gave so much of their time.
Through the years we've been taught
To use the talents we possess.
It's how we handle what's ahead of us
That will be the final test.

This senior class is especially proud
For it's the 10th Anniversary year
In which a decade of *Westie Pride*
Has been special to graduates here.

So to all our friends, teachers, and peers,
As the class of "86" departs,
We leave our laughter, love, and tears
You will all remain in our hearts.

In 1976 when Westie's doors were opened for the first academic year, most of the Class of '86 were starting third grade.

As time went on, we grew to become Westie's tenth graduating class.

The engineers and builders worked through the nation's Bi-Centennial to ready the new school on the Parkway for its first group of Raiders.

September 1976, the new West Roxbury High School is ready.

Construction in progress

Ten years have passed since Westie pride began to grow in 1976. Now as we, the class of 1986, become part of the school's proud history, we leave with pleasant memories of our high school years, of what we've learned, and how we grew.

HEADMASTER'S MESSAGE TO THE CLASS OF 1986

In June, Nineteen Hundred and Seventy-Seven West Roxbury High graduates reminded us that many of their fondest memories emerged out of their experiences at Roslindale High School and that Westie was only an extension of "Old Rossie."

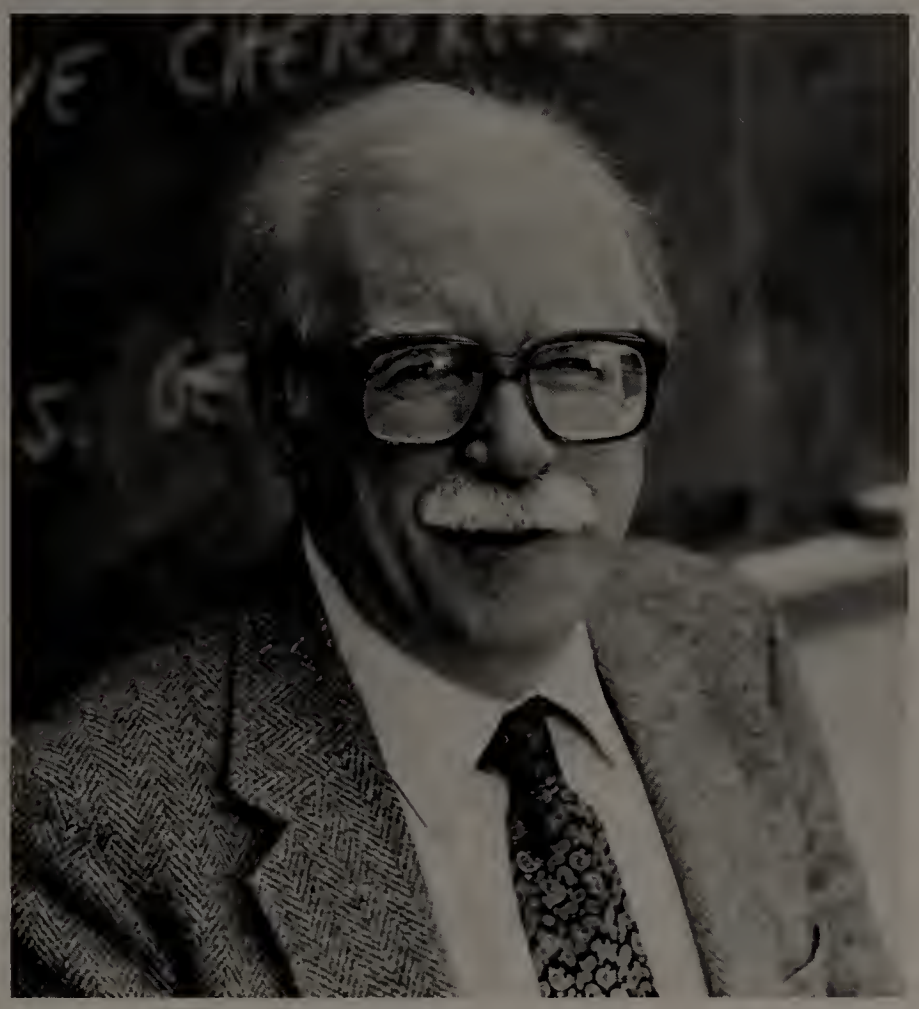
You are the tenth class to graduate and it is evident now, that as the years passed, a new and energetic aura has evolved in and among the students at West Roxbury High School. The tradition of excellence, passed on to you by your predecessors, embodied the virtues of hard work, dedication, team work and respect. You have done much to perpetuate this legacy and you have further enhanced our reputation — "Westie" is the "School of Champions."

Webster defines a champion, as an individual who protects another person or defends a cause — one who soars above all of the competition. Such noble qualities have helped you to recognize the basic human dignity in every individual. Personally, I feel very proud to have played a small part in nuturing this compassionate awareness.

Now, as you leave us, let the champion in each of you emerge; so that you will achieve individual success and happiness. Also, never forget that a real champion defends the less fortunate, and strives unselfishly to improve the life of his neighbors.

GOOD LUCK AND GOD BLESS!!

DEDICATION



Mr. John Gearin

We, the members of the Class of 1986, dedicate our yearbook to Mr. John J. Gearin, teacher of English and Advisor of the Westie Yearbook during Westie's first decade.

Baseball

The Raiders have qualified for the post season state champion playoffs for the past two seasons and have done extremely well as the city of Boston representatives.

Returning veterans to watch this year are: Nelson Diaz (.475) a tough man at shortstop, Manny Arruda (.473) who patrolled the outfield along with Ken Gillis (.447) and Michael Aldred (.300). Strong infielders also returning are Joe Arruda at 3rd base and Richie Spagnuolo at 2nd base. The Raiders are a very strong and determined ball team. They should do well in their coming season.

SOFTBALL

Front: Debbie Delaney, Monique Bourguet, Anita Warren, Mary Cullen, Trina Townshend, Kathy Lohen, Rose Jones. Middle: Coach Crutchfield, Sophie Spann, Donique Dean, Kathleen Moriarty, Noka Santiago, Donna Conway, Michelle Kane, Coach Sprissler. Westie's softball team is made up of about 35 Players between both Varsity and junior varsity. The players are aggressive, hard working, and dedicated to the game.

Westie is fortunate to have one of the most talented players in the state, outfielder Kelli Fleming. She led the league in hitting by hitting over 700 most of the season. Also returning players are Donna Bakas, shortstop, Donna Conway, 3rd base, Sophie Spann, catcher, and Yolanda Neal, right field.

The 1985 Spring Track team was a highly motivated group that suffered from lack of numbers. It was a rebuilding year for the raiders and the raiderettes, but outstanding performances by Mike McClary, Tony Hill, Errol Person, Resson Jean, Joe Hart, Chantelle Albert, and Donique Dean made it possible to compete with schools with much larger teams.

FOOTBALL

Westie offense on the move

The 1985 West Roxbury Football Team was a young, inexperienced group who were plagued by numerous untimely injuries. Despite these handicaps, they always performed to the best of their ability, gained the respect of their opponents, and made us all proud.

Bank of New England congratulates the **Class of '86**. Young men and women. Facing choices. Responsibilities. Troubles. Successes and failures. Moving on to a bigger world now. We're proud and delighted that we could work with many of you, share with you, open up the world a bit for some of you, open up the doors of opportunity for others.

Bank of New England has been working with the students of **West Roxbury High School** since its founding ten years ago. We know that every student is different. Our efforts respond to those differences. From field trips to maps of the world. From magazine and newspaper subscriptions to computer software and microscopes. Tape recorders and tutoring. College scholarships and attendance awards. Teacher stipends and special computer programs for special needs students. Agribusiness monies and audio/visual equipment. And jobs at the **Bank of New England** - part-time, summer-time and full-time after graduation.

Bank of New England couldn't reach everyone - but we did reach some, making a difference - a real difference - in their choices, enthusiasm, their growth and their future. Good luck **Class of '86** as you step into that future.

Most of the photographs on these two pages were taken by Mike Sneyd and Dimos Loukos, students in the Media program at West Roxbury High School.

IS A CROWN POINT KITCHEN JUST ANOTHER KITCHEN?

NEVER!

Because a kitchen at its best becomes a truly special retreat for good food, conversation and family—even for the little ones.

That's what makes a kitchen so special. It s design, organization and planning flow around your every need. A Crown Point Kitchen will stand up to the everyday wear and tear of constant traffic.

They're still handcrafted custom-made cabinets with strong solid maple drawers that hold up to fifty pounds. And the best feature of all, is the Crown Point vinyl interior that wipes clean fast. That means never having to line a drawer or cabinet again!

Will *your* kitchen be just a kitchen? Not if you ask for Crown Point.
